**ROYAL WHOLESALE CANDY Booth # - 612**

Royal Wholesale has been selected to be one of Cargill's Exclusive Channel Partners distributing a full line of high quality Merckens, Peter's, Wilbur, and Ambrosia chocolate and confectionery products.

Our brand new chocolate website is now live! At Royal Wholesale, we sell an astonishing variety of candy, chocolate and other confectionery products. After over 28 years in business, one product in particular has seen a dramatic increase in demand... high quality chocolate. Through our exclusive channel partnership with Cargill, finding the most exclusive chocolate brands is now easier than ever with our new Royal Wholesale Chocolate website.

RoyalWholesaleChocolate.com makes shopping for chocolate much easier as you no longer need to navigate through all of our other products to do so. Our chocolate website also features valuable information about our support of Cargill's sustainability efforts as well as extensive resource materials including chocolate FAQs, chocolate uses, applications, and more. Plus after shopping for your chocolate you can switch over to RoyalWholesaleCandy.com if you need any candy or nuts and checkout with one single order!

**SCALA-WISELL INT'L, INC. Booth # - 616**

Multiple nonpareil event blends!

**SIMPLEX PAPER BOX CORPORATION Booth # - 311**

Look for our new "Gable Boxes" with window and easy re-closeable top. The are available in copper, red, lavender, white and in Kraft. A great look! We added to our Easter "Filled Egg" line boxes without windows. The lavender "Filled Egg" boxes will be available in all sizes. We are expanding our lavender color into our two piece line so you can continue this beautiful color from Easter into Spring and Mother's Day. Also available are two new sizes of "bulk/stock" boxes.

**SKIPS CANDIES - NUT FREE Booth # - 407**

New this season... Prepackaged 1/2 lb. containers nut free fudge! Flavors include: Chocolate, Chocolate Marshmallow, Vanilla, Vanilla Cookie, Rainbow Chip, Sprinkle and Newest Flavor - Chocolate Chip!
